BUBBLES

A personalised mobile bar

About Us

Emily & Matt

We are a mobile bar with a difference; we are bespoke and tailor each package so that it is specifically designed for your event. With over 12 years combined experience in the hospitality industry, we decided to start our own adventure, one that offers our clients a more personalised bar service. When booking with us, we work with you to create a bar for your event which provides a personalised selection of drinks, one that you are proud of and one that impresses your guests too. Whether you are planning a Black Tie Event, a Wedding Reception, Garden Party or Festival we are on hand to provide some special drink suggestions, help you choose which bar would work perfectly for you and with our friendly, genuinely personal service, you and your guests can simply enjoy the event!

In addition, Botanical Bubbles is environmentally-friendly - we've banned plastic straws, we support independent businesses, we garnish our drinks from our home-grown herb garden and our bars have been using reclaimed wood and upcycled materials.

Booking Your Bar

Booking a bar for your event does not have to be stressful, or time consuming. All you need to do is decide on these three steps; the type of bar, hire type and special drinks. We will sort the rest, it really is that simple!

Deciding on a Bar

We have three bar hire options to choose from; **Polly**, **Ebby** or you can have **both** of them! With the help of Polly, Ebby can be extended to the rear creating an extended bar and three serving areas.

Included in all our bar hire packages:

Bespoke Drinks Menu

Bar Hire for 5 hours (additional hours chargeable)

Two friendly, qualified staff members throughout

Polycarbonate & Glass Hire

A Temporary Events License (TEN)

Travel, up to 20 miles (further distance chargeable)

Polly

Polly is the perfect bar for indoors, although she can also be set up outdoors. Designed from reclaimed pallet wood she instantly adds a touch a vintage charm to your event.

Ebby

Ebby is the latest edition to the family as our HorseBox Bar. She stands proud at outdoor events and really does create the 'wow' factor. With two serving hatches and the option of 'Pimms or Cocktails on Tap' makes her truly special.
